

*Thanks for the tour of South Melbourne Market. My husband and I really enjoyed it – neither of us had been there for years and it was great to get tips on the best stalls etc.*

*We bought heaps of stuff and ate like kings that weekend (the flathead was the best I've ever had).*

*The tour was absolutely fantastic. The tour guide was great and engaging with lots of interesting information. It was so interesting to see all the different food and wines that are at the market, and the cheese shop was great.*

*Please thank the tour guide. I will definitely be going back to South Melbourne Market!*
