## The Quintessential Village Market

With over 5.5 million visitors annually, the South Melbourne Market has, and continues to, set the standard in placemaking and has delivered consistent growth in visitation over the past decade. Since 1867, the Market has been a treasured inner-city landmark and a favourite among locals and visitors. It is the quintessential village market, a place where people come not only to purchase fresh food, but to meet, eat, drink, shop, discover, share, and connect.

Inside our Market, authentic traders display their wares with pride and passion. Quirky and playful characters are found behind the counters, delivering old fashioned customer service with a smile. We embrace and showcase the local, supporting local farmers, artisans, and producers. It is a foodie's paradise where freshness, quality and diversity are paramount and foodstuffs from land and sea are on show. We celebrate a philosophy of real food, encouraging you to cook dishes made from great quality, fresh produce sourced from our family of traders you know, love and trust.

We are home to seriously good coffee, specialty tea and a vibrant restaurant precinct for day and night-time activation. There is also an amazing array of merchandise and services with everything from clothing, homewares and second-hand books to hairdressing and pet food. With a calendar of live music, events and activities, the Market is a happy and experiential place that celebrates the senses. Take a trip to the Market: you never know what you will find, but we guarantee it will be full of surprising moments and experiences!

An independent committee, appointed by Council, governs the Market with support of the City of Port Phillip.
